About the conference

The conference brings together key health decision-makers from across the whole of Wales, together with top quality speakers to inspire and provoke debate.

- Hear from our exceptional line-up of speakers from within the health service and external organisations providing invaluable insights and expertise
- Make new contacts and develop existing ones. As partnership working increases in importance, there will be plenty of opportunities to build those all-important relationships
- Focus on the future vision of the NHS and what we need to do to get there
- Represent your organisation at an international level
- Learn from peers, collecting examples of best practice and innovation to take back to your organisation
- Get the latest policy and political updates from representatives of the Welsh Assembly Government
- Meet and form relationships with representatives of external organisations at the exhibition
- Collect the latest publications from the Confederation stand

Call for abstracts

You are invited to submit an abstract to showcase your achievements in any of the following categories:

- Improving healthy lifestyles and well being in the community
- Preventing or delaying the onset of chronic conditions
- Improving the quality of life for people living with chronic conditions
- Reducing the impact of chronic conditions on secondary care and care homes
- Increasing self management, independence and the participation of people with chronic conditions and their carers
- Improving quality of patient care closer to home
- Improve prescribing and medicines management
- Reducing health inequalities and economic activity

Abstracts will be selected for poster display or presentation at workshops.

All successful candidates will receive a free place at the conference.

For more information please contact sue.roberts.wales.nhs.uk or telephone 01443 233 333

policy into practice

Cochrane lecture and buffet reception
Reardon Smith Lecture Theatre, Hilton Hotel, Cardiff.
Speaker: *Professor Michael Marmot*

Day 3: Adding living to life;
the public health agenda

Details on how to book:

About the venue:

City Hall is in the heart of Cardiff, near the castle. Built in the early 1900s, it forms part of Cardiff's historic civic buildings. City Hall is a ten minute walk or short taxi/bus ride from Cardiff Central and Queen Street stations. Directions to the venue and car parking facilities can be found on: www.cardiffcityhall.com

Accommodation:

Delegates should book their own accommodation. Some rooms have been reserved at the Hilton Hotel and can be booked with the hotel direct, quoting the Welsh NHS Confederation.

Quote Welsh NHS Confederation when booking.

Directions to the venue can be found on www.hilton.co.uk/cardiff

How to book:

The conference is open to all. To book contact:

sandra.cummings@welshconfed.org
