- **385,600** Population
- **5** Community Hospitals
Our income for 2019/2020 was £2.14 million

**Legacies**
£935,813

**Donations**
£859,633

**Investments**
£330,760

**Grants**
£13,267

**Purchases by External Charities**
£138,000
Every penny raised went directly to support our patients and staff
Patients fundraised to say thank you for the care they had received
Staff fundraised to make it better for their patients
Our supporters jumped thousands of feet, walked hundreds of miles and baked lots of cakes!
1,000's of miles were covered during our 60 in September challenge and your perfect pooches and fabulous felines even played a part in our pet photo competition.
34 runners took part in the Cardiff Half Marathon raising over £26,460 as part of #teamhyweldda
Through our Give a Gift appeal you donated over 120 gifts to our paediatric palliative care patients.
You helped us raise over £2,000 by buying our Christmas cards and taking part in our Christmas Jumper Day.
Last year we spent £2.96 million on making things better

- Additional patient comforts
- Most up-to-date medical equipment
- More welcoming surroundings
- Staff learning and development
- Care in our local communities
- Healthy living and health promotion initiatives
We funded the refurbishment of relatives rooms making them more comfortable and relaxing spaces
We provided door wraps to create a distraction for patients with cognitive issues
We purchased toys for our paediatric audiology teams to use when assessing children’s hearing.
We purchased Reminiscence Interactive Therapy and Activities Systems to support patients with cognitive impairments, such as dementia.
We funded the most up-to-date medical equipment to enhance the care provided
Withybush Hospital's Ward 10 re-opened following extensive refurbishment providing a modern and enhanced environment for patients.
We supported colleagues to access the latest training and development opportunities enabling them to provide even better care.
Thank you for helping us to
